

# Shaped Collection

---

The Classic Collection brings a refined touch to acoustic design with custom finishes and a wide range of colours, including precise Pantone-matched mouldings. These elements work together to create rich depth and striking 3D acoustic effects.

Calmtone Classic

The Classic Collection features customised finishes and colours, including Pantone-matched mouldings, adding depth and creating dynamic 3D acoustic effects. We provide comprehensive technical support and consultation services, assisting clients in selecting the most effective customised finishes to meet their specific design and acoustic needs.
